Why travelling - never waste of money? Because experience from it costs more than money!

Travelling is much more than just making photos and buying souvenirs. It's about looking for new memories and getting to understand culture of other countries or culture of other places in your country. You can even travel to see artworks of famous artists.

For me, I didn't travel to much, but I can tell you about my experience of travelling to city Ulyanovsk. Ulyanovsk is famous for people who was born here, like Lenin, the organizer of revolution and Karamzin, the maker of Russian sentimentalism. In centre of city was a lot of museums about history of USSR, that was really interesting to see.

Go travel to know more and see more!
